

TV & AUDIO

RV Media televisions	56
Television and audio	58
Audio and accessories	59
Antennas and accessories	63

RV Media TV's were launched May 2013 and while there have been model changes and updates, it is time for a new Evolution in RV TV's! Features included standard on RV Media Evolution series 19"-24" TV's now include Low RV Battery Voltage Warning, 2 x HDMI inputs, our Exclusive Backlit Remote control, RCA & headphone Audio outputs and more! Plus the 22" & 24" models feature Bluetooth Wireless Audio meaning you can easily connect anything from a set of Bluetooth Headphones, portable Bluetooth Speaker or even your RV's Existing Head Unit (if it has Bluetooth) wirelessly to the TV so you can enjoy enhanced TV Audio!

BLUETOOTH WIRELESS AUDIO

22" and 24" RV Media TV models feature an inbuilt Bluetooth® Wireless Audio Transmitter which allows you to send audio from the source you are watching on the TV wirelessly to other Bluetooth® enabled devices. These could include the RV's Bluetooth® head unit - which will allow you to hear the TV via the RV's speakers, or external Bluetooth® speakers such as the RV Media Bluetooth® Speaker/Light, portable Bluetooth® speakers or even Bluetooth® headphones. You can even optionally turn the TV's speakers on or off while using Bluetooth® for maximum flexibility.

ON SCREEN LOW BATTERY VOLTAGE WARNING

Low RV Battery voltage can not only potentially damage your 12V equipment, it may also reduce battery life. To ensure this does not happen while watching TV, RV Media Evolution Series TV's will display an on screen low battery voltage warning message when the system voltage drops below 11V. In addition to this, RV Media Evolution TV's are designed to operate on a wide 10-30 Volt Range to ensure reliable operation in the most adverse conditions.

BACKLIT REMOTE WITH QUICK TUNE

Our exclusive backlit remote control ensures easy TV operation without the need to turn on the RV's lighting and disturb other people. The remote is even compatible with Series 3 RV Media TV's! While travelling, it is advisable to re-tune your Digital TV Channels (DTV) when visiting a new town or area. The process is now easier with RV Media's QT button. Simply press the dedicated QT button on the remote to start the DTV tuning function.

OPTIONAL STAND AND PLUGPACK ACCESSORIES

As most RV TV's are mounted on the wall and operate from the RV's 12V system, RV Media Evolution Series TV's are not supplied standard with a stand and 240V plugpack that in most cases are not used. This ensures that this Premium TV is produced using only A-Grade LCD panels and premium components that have been specifically sourced and developed for the Australasian RV environment. Should you require a desktop stand or 240V plugpack, please order one of the appropriate TV Accessory Kits listed below.

19" EVOLUTION ACCESSORY PACK
044571

Includes a 240V plugpack power supply and desktop stand to suit Evolution 19" TV's only.

22 & 24" EVOLUTION ACCESSORY PACK
044572

Includes a 240V plugpack and desktop stand to suit 22" & 24" Evolution TV's only

32" FULL LED HD SMART TV/DVD/PVR - SERIES 2

044145

Features:

- 12/24/240V operation
- Inbuilt DVD player
- 2 x HDMI inputs
- Browse the Internet using the inbuilt web browser
- Stream TV shows and movies

SPECIFICATIONS:

- Dimensions without stand: 732mm(l) x 441mm(h) x 79mm(d)

ANDROID TV

This TV features an inbuilt Android powered Smart TV which allows you to browse the internet using the inbuilt web browser. Plus, by downloading apps which are available from the Google Play store, you can stream TV shows and movies and even your favourite social media account. Note: A Wifi connection is required for online services and data usage fees may apply. This Smart TV is not a replacement for the latest high-powered Smart Phones but provides a handy way to view basic online content for your TV.

RV STRENGTHENED

While we always advise that your TV should be removed from its mounting bracket when the RV is in transit, this 32" TV includes internal strengthening brackets to ensure the TV is tough enough for the varied mounting options provided in modern RV's. This TV incorporates VESA 200 x 100 mounting points so if you are using it with a standard or existing VESA 100 x 100 RV TV bracket, you will also need the RV Media 043042 100 x 100 to 200 x 100 conversion bracket.

RV MEDIA SERIES 3 & EVOLUTION BACKLIT REMOTE CONTROL

044573

Suits RV Media TV's Series 3 - 19", 22", 24" plus 28" & 32" (non-Smart TV's), and Evolution 19", 22" & 24" TV's.

RV MEDIA WEATHER RESISTANT REMOTE CONTROL

044064

For RV Media TVs Series 3 - 19", 22", 24" and the 28" and 32"

RV MEDIA SERIES 2, 24" TV REMOTE

043743

Suits RV Media 042701 Series 2, 24" TV only.

RV MEDIA SERIES 1/2 REMOTE CONTROL

044574

Updated Version - Suits 041433, 041436, 041969 & 041437 TV's.

RV MEDIA 12V TV ACCESSORY LEAD

044575

Suits ALL TV Media 19"-24" TV's.

POWER ADAPTER 240 VOLT FOR RV MEDIA TV

042388

To suit RV Media Series 1 and 2 19"/22"/24" TV's.

FEATURES:

- Does not include 240V lead

A/V LEAD 3M FOR DVD/STB/GAME CONSOLE TO TV

041547

A/V lead 3m M-M yellow/red/white for DVD/STB/Game console to TV.

RV MEDIA LCD TV MOUNTS 15KG RATED SUPPLIED WITH 2 BASES

- 042162 1 ARM
- 042163 2 ARM
- 042164 3 ARM

Designed specifically for the RV Industry, RV Media by Camec TV Brackets feature the ultimate combination of functions ideal for all RV requirements.

FEATURES:

- Bracket is removable from the mounting base (to allow the bracket to be used on another mounting base in or outside the RV)
- Bracket head is removable to allow easy stowage of the TV when the vehicle is in transit
- Easy locking system to lock the bracket against the wall when the vehicle is in transit
- Mounting base includes a spirit level for quick and easy installation
- Easy cable management system using removable plastic clips on the arms

SPECIFICATIONS:

- Thumb screws are supplied to allow easy removal of the mounting bracket or head without the need for special tools
- VESA 100 x 100 mounting points
- Adjustable head by up to 14° in all directions
- All brackets rated at 15kg load strength
- A BONUS second mounting base is supplied in the kit to allow an easy and cost effective addition of a second bracket mounting point

LCD TV BRACKET PIVOT SWING ARM

- 002228 SMALL
- 002230 LARGE

Adjustable all directions - up, down, left, or right.

- Maximum Weight Load: 10kg

LCD TV MOUNT FLAT TO WALL

040153

FEATURES

- Ultra low profile design for picture style mounting
- Easy slide on installation
- Compatible with all major TV brands
- Fits TV's from 33-58cm (13-23")
- 15kg maximum weight

LCD TV MOUNT SINGLE ARM

040154

FEATURES

- Single arm with tilt for better viewing angles
- Folds back, extends out, good for corners
- Easy slide on installation
- Compatible with all major TV brands
- Fits TV's from 33-58cm (13-23")
- 15kg maximum weight

LCD TV MOUNT DOUBLE ARM

040155

FEATURES

- Dual arm with tilt for all round viewing
- Folds back, extends out, good for corners
- Easy slide on installation
- Compatible with all major TV brands
- Fits TV's from 33-58cm (13-23")
- 15kg maximum weight

3.5MM STEREO TO RCA LEAD 5M SUIT TV TO HEAD UNIT/AMPLIFIER

041546

3.5mm stereo to RCA lead 5M, suits TV to head unit/AMP.

RV MEDIA WHITE PVC AM/FM ANTENNA

041374

White PVC antenna ideal for RV rooftop mounting.

- Adjustable angle head
- Extra long 1500mm cable
- 3 year warranty

TV FLY LEAD F TO TV

040843

Connects between an RV wall plate with a female F type connector to the back of the TV.

- White
- 1.8m

RV MEDIA RCA LEADS

041543

50m male to male connector.

RV MEDIA BLACK PVC AM/FM ANTENNA

042493

Black PVC antenna ideal for RV rooftop mounting.

- Adjustable angle head
- Extra long 1500mm cable
- 3 year warranty

RV MEDIA PILLAR MOUNT AM/FM ANTENNA

041373

Stainless steel pillar antenna ideal for RV side mounting.

- Complete with mid mount support and mounting screws
- Extra long 1500mm cable
- 3 year warranty

RV MEDIA 6.2" TOUCH SCREEN DVD/CD/USB PLAYER FOR RV'S
043431

FEATURES

- DVD and USB/micro SD media playback on the in-built 6.2" colour screen - with rear audio/video output to connect to the RV's TV
- Custom RV inside/outside fader menu
- Exclusive optional wired and RF remotes available
- Wireless A2DP Bluetooth audio streaming from your smart phone or tablet including song title info
- Includes full fitting cradle and stylish trim surround
- Exclusive optional SECURITY camera input plus front 3.5mm audio and an additional rear audio/visual input
- Dimmer function including "screen off" mode for greater flexibility when using the system at night
- IR remote control included
- Large clock screen saver function
- Dedicated Quick Tune button to easily store radio stations when arriving at a new town
- CD, iPod, iPhone, USB, SD, Bluetooth and aux-in audio playback options
- Long range AM/FM tuner
- 50W x 4 high power speaker output
- As with all RV Media products, this unit is fully licenced for Bluetooth, MP3, WMA and DVD playback

RV MEDIA AUM1000 AM/FM MECHLESS USB/SD TUNER WITH APP CONTROL
041840

Exclusively designed for the RV industry.

FEATURES:

- Super slim mechless system (does not include a CD player) with ultra-shallow mounting depth
- Wireless remote control via a free smart phone app (for operation up to 10 metres outside the RV!)
- Bluetooth audio streaming. Play

music wirelessly via the app using a smart phone or tablet

- Dedicated REAR RCA TV audio input to enhance TV sound quality (Use optional 041546 5M RCA to 3.5mm cable)
- System voltage display function
- Front 3.5mm audio input
- Front USB input for MP3 playback

and iPhone charging

- Clock "Screen Saver"
- 50W x 4 output power
- Inside/outside zone control
- Quick Tune feature for easy radio tuning when on the move
- Rear RCA output (for amplifier connection)

RV MEDIA BLUETOOTH CD/USB AM/FM TUNER
044377

Designed specifically for RVs, the new RV Media Bluetooth CD/ Tuner features an easy to read LCD screen and large buttons with an uncluttered layout which is easy to use.

FEATURES:

- Simple, easy to use controls
- Fixed face - cannot be lost or stolen or damaged
- USB front Input for MP3/WMA playback
- Clock display screen saver
- IR remote control included
- Long range AM/FM tuner
- RDS FM station title display
- Rear RCA audio output
- 3 year warranty

SPECIFICATIONS:

- A2DP Bluetooth audio streaming
- Rear RCA TV input
- Front audio aux input
- QT - Quick Tune easy radio station tuning
- 50W x 4 high power

RV MEDIA RF WIRELESS REMOTE CONTROL
041843

Enjoy easy operation of your RV Media head unit from up to 10M away! Works anywhere inside or outside the RV - as there is no need to point it directly at the head unit. Also features an in-built LED torch. Suits RV media head units - 041840 and 043431.

SPECIFICATIONS:

- Complete with a mounting cradle that screws or sticks to the wall
- Can be used in conjunction with the 041842 RV Media wired remote

RV MEDIA 6 METRE EXTENSION CABLE
041846

For use with the RV Media 0471842 wired remote.

RV MEDIA FULLY WATERPROOF WIRED REMOTE CONTROL
041842

Features an LCD display which mirrors the Head Unit display showing radio station info, track title etc. Includes all major function buttons incl on/off. Suits RV media head units - 041840 and 041841.

Complete with mounting kit comprising of a metal mounting bracket, screws & 3M double-sided tape.

When mounting further than 500mm from the head unit, use 041846 6M extension.

INTELLIGENT LED

RV MEDIA PREMIUM APP CONTROLLED RGB BLUETOOTH WEATHERPROOF LED SPEAKER / AWNING LIGHT
WHITE 043268
BLACK 043269

The RV Media Bluetooth Awning Light not only streams audio from your Bluetooth device but you can control the integrated LED light via your smart phone. And if that is not enough, we have added RGB lighting to the speaker so you can select a light colour and intensity that suits you. Replace the existing awning light using an easy 2-wire DIY connection with no internal wiring needed.

FEATURES:

- Full light control - on/off, dimming and colour selection via our free smart phone app
- Orange "insect" light mode
- Variable colour scan "party" mode
- Sleep timer to completely power-off the speaker
- Utilises Bluetooth A2DP music streaming

from your smart phone or Bluetooth device

- IPX5 rated - also great for marine applications, pergolas, etc.
- Features 45 super bright RGB LEDs
- Patented worldwide
- No Wifi required
- Available in black or white

RV MEDIA BLUETOOTH WEATHERPROOF LED SPEAKER / AWNING LIGHT

WHITE 041372
BLACK 042492

Finally a customised solution to allow the easy addition of speakers to an RV that does not have existing external speakers. Beautiful satin black finish.

Also suitable for marine applications and outdoor alfresco areas.

FEATURES:

- 2 x 3" 2-way speakers mounted in an optimised custom enclosure offering brilliant sound quality for the system's overall size
- Operates using A2DP Bluetooth audio streaming from a smart phone, tablet or Bluetooth device with a reception range of up to 10 metres
- In-built super bright 45 white LED lights with separate on/off switch

- Easy DIY 2-wire installation - replaces an existing awning light; operating on 12V DC
- In RV installations, this speaker allows you to listen to 2 different audio sources - the RV's system for inside the vehicle and the Bluetooth source for outside the vehicle
- Optimised aerodynamic design and stereo speaker separation
- 100W maximum power output
- Optional 240V plug-pack available for home use - P/N 040855
- 2 year warranty
- Supplied with 2 bases

RV MEDIA POWER SUPPLY TO SUIT BLUETOOTH SPEAKERS
040855

FEATURES:

- An extra-long 3m lead fitted with a dedicated power connector which plugs straight into all RV Media Bluetooth Speaker/Awning Lights

SPECIFICATIONS:

- Input: 240V
- Output: 12V 3A maximum

RM MEDIA 180W 6" 2-WAY PREMIUM RV SPEAKERS
041370 WHITE
041847 BLACK/CHROME

FEATURES:

- Premium 6" speaker with classy custom "swirl" grille surround
- One piece easy install design
- 180W 2-way with custom bridge tweeter design
- 34.2mm mounting depth
- Screw covers supplied

RM MEDIA 180W 6" 2-WAY LED SPEAKER WITH LIGHTS
041371 WHITE
041848 BLACK

FEATURES:

- Combined speaker and integrated LED interior light
- Saves on roof space and installation time
- Features 33 cool white LEDs (per speaker) with an operating voltage of 10-28V
- 180W 2-way speaker with custom "swirl" grille and one-piece easy install design
- 34.2mm mounting depth

RM MEDIA 200W 6" WATERPROOF 2-WAY RV SPEAKERS
 041849 WHITE
 042490 BLACK/CHROME

- FEATURES:**
- 200W 2-way speaker with custom bridge tweeter
 - Great for RV, marine and outdoor use
 - Includes rubber screw covers for a neat install
 - One piece easy install design
 - Supplied with spacers to reduce mounting depth from 36.5mm to 22mm

RM MEDIA 200W 6" WATERPROOF LED 2-WAY RV AND OUTDOOR SPEAKERS
 041850 WHITE
 042491 BLACK/CHROME

- FEATURES:**
- 200W 2-way speaker with custom bridge tweeter
 - 30 cool white super bright LEDs (per speaker)
 - Ideal for RV, marine and home
 - Includes rubber screw covers for a neat install
 - Supplied with spacers to reduce mounting depth from 36.5mm to 22mm

RM MEDIA 100W 5" DUAL CONE RV VALUE SPEAKERS
 041369 WHITE

- FEATURES:**
- Stylish budget speakers
 - One piece easy install design
 - Dual cone 100W rated
 - 30.1mm mounting depth
 - Lighter than metal "one piece" speakers
 - Screw covers supplied
 - Wiring included

RV MEDIA QUICK FIT FULLY WATERPROOF EXTERNAL 100W 2 WAY SPEAKERS
 044143 WHITE PAIR
 044144 BLACK PAIR

Suitable for mounting on profiled aluminium or flat panel walls, these Australian designed 100W 2-way speakers do not require a cutout to be mounted yet offer superb sound quality. Simply fit the custom mounting base then push and turn to mount the speaker! Supplied complete with universal foam sealing rings.

- FEATURES:**
- Perfect for flat panel RV walls as the rear of the speaker will not protrude in to cupboard areas and reduce storage space PLUS they will not cause internal vibrations in storage spaces
 - They are great for campers too where there are no wall cavities available!

- SPECIFICATIONS**
- Speaker height: 54.3mm
 - Speaker diameter: 166mm
 - Frequency response: 52-20kHz
 - Power: 100W
 - Nominal impedance: 40HM
 - Neodymium tweeter magnet
 - Polypropylene speaker cone
 - IP65 Rated

JACK DIGITAL HDTV OUTDOOR TV ANTENNA
044396

Your way to receive free crystal clear digital high definition television.

FEATURES:

- Built in amplifier for maximum VHF and UHF reception
- Universal bracket for pole mounting
- Perfect antenna for caravans, RV's and residential use

SPECIFICATIONS:

- Antenna head: 415mm(w) x 318mm(d) x 55mm(h)
- Frequency bands: VHF (47-230Mhz) - 20dB gain UHF (470-860Mhz) -25dB gain
- Power Supply: Input 240v ~50Hz

KIT CONTAINS:

- Jack antenna head
- Pole mount bracket
- Power supply*
- Power injector
- RV antenna bracket

KING JACK LOW PROFILE ROOF MOUNT ANTENNA

044397 OEM 5 PACK WHITE
044398 OEM 5 PACK BLACK

Now even more affordable with stylish updated cosmetics!

Simple easy to use directional antenna solution that does not need cranking up or down and requires much less roof space than other RV antennas. Does not include inbuilt signal meter - see the H/V model below for our signal meter option.

SPECIFICATIONS:

- Dimensions: 226mm(h) x 406mm(w) x 305mm(l)
- Weight: 1.19kg
- Roof Thickness: 25-203mm
- Frequency Bands: VHF (54-216 Mhz), UHF (470-698 Mhz)
- Power requirements: 12V DC / 100mA

KING JACK LOW PROFILE H/V ANTENNA WITH SIGNAL METER

044399 SINGLE RETAIL WHITE
044565 OEM 5 PACK WHITE
044566 OEM 5 PACK BLACK

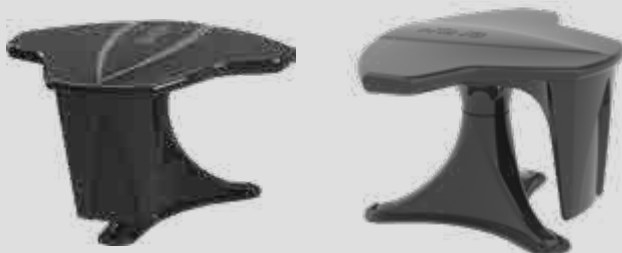

Premium amplified antenna featuring custom-designed Horizontal and Vertical elements for optimal TV tuning in all areas of Australia

FEATURES:

- Wider reception range. Less directional than traditional RV antennas to provide greater reception coverage
- Built in amplifier. Enhance weak signals in fringe areas for improved reception. Flush wall mount power switch with cable/antenna inputs and 2 TV outputs available.
- Easy to install. Can work with varying roof thicknesses (25mm to 203mm)
- Effortless antenna rotation. Easily rotate antenna with a couple of fingers with 360 degree rotation for no dead areas
- Built-in digital TV signal meter. Point the antenna for maximum reception before scanning for channels to simplify setup and eliminate those frustrating set ups
- No crank handle. Fixed height requires no cranking up or down. No need to remember to bring the antenna down before driving away
- Compact, aerodynamic design. Aerodynamic mount offers excellent wind resistance, is 70% smaller and needs less roof space than regular RV antennas

SPECIFICATIONS:

- Dimensions: 226mm(h) x 406mm(w) x 305mm(l)
- Weight: 1.36kg
- Roof Thickness: 25-203mm, Maximum Roof Pitch: 3°
- Frequency Bands: VHF (54-216 Mhz) peak gain 31 dB UHF (470-698 Mhz) peak gain 34 dB
- Power requirements: 12VDC / 100 mA Signal Meter Frequency Response: 54-698 Mhz (Ch 2-51)

ANTENNAS AND ACCESSORIES

FOLDAWAY STANDARD ANTENNA
002278

Suitable for standard caravans.

FEATURES:

- 360° of tuning either vertically or horizontally - can even be placed in an inverted "V" configuration
- Compact and ready to plug in
- Includes cable and bracket for outside mounting
- Digital compatible

SPECIFICATIONS:

- Dimensions: 600mm(l) x 90mm(diam)
- Weight: 1.5kg
- Tube Dimensions: 630mm(l) x 100mm(diam)

FOLDAWAY TALLBOY ANTENNA TO SUIT WIND UP CAMPER
002277

Suitable for use on vans, pop tops and wind-up campervans.

FEATURES:

- Lightweight and compact
- Folds up quickly to fit in the supplied carry tube
- Includes cable and brackets ready to mount

SPECIFICATIONS:

- Tall boy antenna gives another 500mm height, extending standard antenna a total of 2 meters
- Can be set at various angles
- Cable ends with co-axial fitting

HAPPY WANDERER-POP TOP ANTENNA
002287

Simple to erect and stow. Tunes to horizontal and vertical polarised signals and can pick up UHF/VHF TV, FM radio and digital signals.

FEATURES:

- Includes hook-on bracket

SPECIFICATIONS:

- Dimension: 600mm(l) x 90mm(w)

JACK SPARES

- 042068 POWER INJECTOR - SPLITTER
- 042069 POWER SUPPLY 240V-12DVDC
- 042070 SURELOCK W/HOUSING
- 042071 CABLE R6174 M TO M15"
- 042072 CABLE R6174 M TO M21"

FOLDAWAY ANTENNA EXTENSION ARM
002280

To suit Foldaway Antennas (refer codes 002277 and 002278).

JACK FEMALE F-CONNECTOR CAP
AUX6729
040862

JACK 12V INJECTOR SOCKET
21253
040863

Combined F-connector antenna plug and 12V outlet socket. Also injects power in to the antenna lead for amplified antennas. Works with most brands of amplified antenna.

EXPLORER WALL CONNECTOR
19-32MM SPACE THROUGH WALL
002374

Suits cavity or wall thickness of 22mm to 37mm. Designed for Explorer boosted antennas only.

FEATURES:

- Requires PS-P power supply
- Power injector is built onto plate
- If you have a 12V non-explorer system, can be used to tidy up your cables and connections

EXPLORER PLATE FLYLEAD AND CONNECTOR
PASSIVE
002344

Ideal for satellite or Foxtel or any brand of antenna.

FEATURES:

- Comes with fitting for existing antenna cable and weather boot
- Thru-the-Wall passive connection kit and low loss fly lead
- A bonus PAL to Female adaptor is included

EXPLORER 3M FLY LEAD TO SUIT ANTENNA KIT
002350

For that extra distance between the antenna socket and where you want the view the TV.

SPECIFICATIONS:

- PAL Male to F Male

EXPLORER STANDARD DRAW BAR MOUNT
002361

Heavy duty, galvanised, suits "standard" draw bar (4in/100mm).

FEATURES:

- Suits up to 40mm mast and 100mm draw bar

SIDE MOUNT KIT AND 2 PIECE, 2.8M MAST
002370

To suit Explorer Antenna. Side mounts are recommended when access to the drawbar is restricted.

FEATURES:

- Includes 2.8m 2 piece aluminium mast which collapses to 1.5m
- Includes plastic side mounts and stainless steel fittings

EXPLORER SIDE MOUNT BRACKETS
002372

Side mounts to suit 32mm aluminium, wood or conduit masts. Ideal for all types of caravans, boats, horse trucks, etc.

FEATURES:

- Includes stainless steel fittings

SPECIFICATIONS:

- Pack of 2

EXPLORER PASSIVE THROUGH CONNECTOR PC6A
002378

Connection upgrade to a "PASSIVE" kit - for use with any antenna. These connections will improve performance for TV and satellite signals in the 120Mhz to 840Mhz range.

COAXIAL DEEP TV SOCKET WHITE (1A/770/TVCCM X)
002394

EXPLORER POWER SUPPLY
002345

Power supply for explorer antenna system. C2 C3 C10 or C3sg, in fact any genuine Explorer system.

SPECIFICATIONS:

- Dimensions: 50mm x 60mm + lead
- Weight: 20gm
- Power: 12V DC

COAXIAL THROUGH THE WALL KIT
002382

FEATURES:

- Works on existing antenna and is ready for digital and satellite
- Quick and easy do-it-yourself kit
- Adjustable to suit various wall thickness
- Rubber weather protection cap to keep out moisture

HAPPY WANDERER TV SIGNAL FINDER
039318

This unit is ideal for antennas that don't have their own booster or signal finder.

FEATURES:

- LED signal strength display
- Boost TV/radio signal (variable boost control)
- On/off switch when not required
- Able to be used for some new LED TV models which require higher signal
- Aligns the aerial for perfect signal
- Note: once the needed signal is indicated, tuning can take place
