Windows

The Camec Odyssey, Plus and Premium window range is the latest window in our range, replacing the Australite, Jupiter and Slimline windows. The Odyssey range features a stylishly designed UV stabilised tinted window panel that offer a modern look to all RV's. The range is available in a 2RC wind out window (Odyssey) with fixed flyscreen, a 4RC wind out window (Odyssey Plus) with a push in flyscreen and a 4RC push out window (Odyssey Premium) with an internal blind and flyscreen that clips in place. The windows are available in a range of sizes that will fit easily into any RV design, is available in white or black frame, and suitable for differing wall widths. The Odyssey Premium also features a tinted double glazed acrylic for increased thermal protection when needed. The Odyssey range of windows is a must for any RV user wanting an Australian designed and engineered window to suit Australian conditions.

Slimline Slider & Spare Parts

Camec Slimline Slider

The Camec Slimline Slider range offers another feature to an RV design. Slimline in look, the sliders are a two panel window, one panel sliding to allow for exceptional ventilation, with one panel fixed in position. The slider comes with a fixed fly screen, clamp ring for easy installation and can be used on a wide variety of wall sizes. A great feature for a bathroom area or any living area of the RV where stylish looks and additional airflow can be offered without the need for large windows and wall cut outs.
